Dear Sir:

The Society of Medalists is being formed as a national art organization corresponding in America to the Societe Les Amis De La Medaille D'Art in France and a similar one in Belgium, the latter under the patronage of the King of Belgium.

There is no commercial feature connected with this organization in any way as its purpose is purely for the furtherance of art appreciation in America in this particular field. It is necessary that there be a membership of one thousand in order to pay expenses. I have been advised that we now have over nine hundred members and requiring therefore less than a hundred more.

The first medal will soon be issued, which has been designed by Mrs. Fraser. The second will be the work of Paul Manship.

Dear Mr. Sinnock:-

I feel sure you cannot have been so delighted to get Simsar's catalogue as I was to have the privilege of inspecting the cast for The Art Alliance plaque. I was very glad indeed the country's most distinguished medallist should be doing this work for us.

Very truly yours,

John F Lewis Jr

Mr. John Ray Sinnock,

Dear Mr. Sinnock:

I earnestly hope that you will endeavor to have on our Art Alliance placque the names of its three recipients. The Art Alliance is deeply appreciative of your distinguished work in designing this placque and grateful for the additional detailed work that we are putting on your shoulders of lettering the names. However, it is honestly true that our award to N.C. Wyeth made in October is becoming a little bit ridiculous unless we can get the placque in his hand soon. It puts us all here in the Art Alliance in a rather embarrassing position.

The additional names to be lettered in are those of Henry C. Pitz and Harriet Sartain. The Pitz medal we must have by the time of its presentation, March 14th, and the Sartain medal we must have at the time of its presentation, March 27th.

Please let me know at your earliest convenience whether you can do this for us, and if you cannot, what other steps we should take in order to get the work done. I would be very glad to cooperate with you in any way that you suggest.

The names are as given:

N.C. Wyeth
Henry C. Pitz
Harriet Sartain.

Very truly yours,

John F. Lewis Jr.

President, Philadelphia Art Alliance

Philadelphia, Pa.

Dear Mr. Lewis:

I beg to acknowledge receipt of your favor of January 31st. I assure you that I deeply regret the delay on the medal of award to Mr. Wyeth, which was due to most unexpected demands upon my time the last few months, working seven days a week and in addition, many extra hours at night. However the schedule was reduced last month and I see no reason for the Pitz and Sartain not being ready on scheduled time. The plaque for Mr. Wyeth was delivered to Miss Kohl yesterday and the plaster replica (without name) which was ordered for use in an emergency.

You may rest assured that the remaining two plaques will be ready in ample time for the presentation on the dates which you have given me.

Sincerely yours,

Dear Mr. Sinnock:

I have your letter of February 5th, and want to thank you very much for your splendid work in connection with the placque. The Wyeth medal was received in good order, and I note that you expect, due to a change in schedule, to deliver the Pitz and Sartain work at the scheduled time.

Again thanking you for everything you have done for us, I am

Very truly yours,

My dear Mr. Sinnock:

I am sorry that your several bills have remained unpaid, but Mr. Lewis has gone on a short trip and the checks are waiting for his counter signature.

I am distressed that you must be troubled each time with these Art Alliance placques and would like to know if it would be possible in any way to have this work done elsewhere and relieve you of this responsibility.

Please be assured that I will mail off the checks as soon as Mr. Lewis returns.

Sincerely yours,

Dear Mr. Sinnock:

I am sorry to hear thatyou are ill and hope by the time you receive this letter, you will be entirely well.

We are again annoying you with our Art Alliance medals. This year three are being presented. Two, in the names which follow,are being given at the Annual Meeting in March and Mr. Lewis is very anxious that we receive them for that time:

Charles W. David
Conyers Read 12 15

The date of the Annual Meeting has been scheduled for March 24th at seven o'clock.

The third will be presented on March 17th in conjunction with the Architectural Show, but they have not as yet made a decision as to whom is to receive it. I will forward that name on as soon as I have it.

I think, however, that it might be wise for you to order three sets of boxes and put the two medals into work immediately so that we may be sure to have them on time.

We talked to Mr. Pietz and he has assured us that there will be no delay due to the shortage of material. We were not at all certain in what material these placques are cast, and we were a little concerned whether it would be possible for us to present them this season.

Sincerely yours,

Dorothy Kohl
